Mike Hatcher would like to hold a 2 day Super Cruise Car Show. Lots of things to talk about, might need more info and recommendations from the rest of the council. Possibly put on the FB page a survey asking about interest. Any club having input we would love to hear from you.

Chuys would like to do the Chuy's Summertime Car Show, but June is too soon at this point. Possibly August and doing something with the Firefighters Burn Foundation. Ryan will need to

get the approval from Home Depot. Will have a meeting with Ryan regarding his expectations. Maybe need to push it back to next year.

Eva Ortiz asked if the meeting could be held at Chuy's. Debbie replied that it is too loud with music and all of the people there to hold a meeting.

Jennifer Hacker stated that she would be able to get to Chuy's early to set up on Thursday's and Dee said she would ask Jimmy Normandin about helping as well.
