OLD BUSINESS-New clubs info needed (logo, pics, contact/meeting info)

Held the Super Cruise Sponsors spaghetti dinner at the future home of the Bakersfield Fire Fighters Burn Foundation Museum, which is next to the Fox Theater and will be our meeting location in the next few years; 10 of 35 sponsors attended. Plaques were made for all sponsors and a plaque was also made for Chris for his years of service.

Boat and Rv show asked for a 2 day car show. We feel we need to stick to one day for now.

Ryan would like to move forward with Chuy's summertime car show. Might be too late now, need to hold off, maybe late August, or 2023

Jen Duran who was in attendance at today's meeting, can be contacted for car photos.

NEW BUSINESS-Need new pledges from our Eat Where the Locals Go. We might have to all work on getting Sponsors since Chris had a big part in that. Kiwanis have not cut a check to us after a few attempts. Debbie is still trying to contact them. William Ritchie gave us a check at the spaghetti dinner so he is set to go.

Ford Fairlane will be the car for next year's raffle. Should be getting it soon. Will need some body work. Jordan will ask about businesses possibly donating parts/paint instead of cash donations.

West Coast Kustoms was a good turn out for being the first year back. 5 people from Bakersfield won prizes there. Aztec Image Lowrider and Hop Car show was a good turn out as well. Pismo show was also nice with nice weather.

Carclub announcements-KDaddy was inducted into the hall of fame. KC aircool gets together almost every weekend.

Jennifer asked about taking over Chuy's Thursday Car nights. We have not moved forward with looking into that. Jordan will talk to Ryan about Summertime Car Show, and possibly discuss Thursday Car nights also.

Trunk or Treat was discussed. How can we make it flow better? Maybe have car registration, maybe do a punch card to avoid the multiple trick or treaters. Maybe ask Ryan if he needs any help with putting that together.

Tom asked about a list of past sponsors. Debbie stated we do have a list and she has been trying to reach out to them through FB with little to no response.

Debbie motioned to adjourn the meeting; Jordan seconded the motion.

Meeting adjourned at 7:40pm.
