NEW BUSINESS-Need new pledges from our Eat Where the Locals Go. We might have to all work on getting Sponsors since Chris had a big part in that; give away car has been picked up, it's a '47 Ford Fairlane, will be trying to get it started this week, tires are taken care of, have a sponsorship from Finish Master for paint. Interior is still needed. Ron stated he might know someone that he can talk to. Will email Debbie with info. Vigil will be working on art work of the Fairlane for us.
