-Sponsors and Raffle donations needed for Super Cruise

NEW BUSINESS

-Ford Fairlane will be the car for next year's raffle. Should be getting it soon. Will need some body work. Jordan will ask about businesses possibly donating parts/paint instead of cash donations. Might be going with the original two toned green and white. Selling tickets at Hot Rod Reunion in October since online raffle sales are prohibited. Last year tickets were 1 for \$25, 5 for \$100. Diane mentioned that selling at the Trunk or Treat would be a good idea.

-Registration for Super Cruise 2023 is open online.

-In addition to Eat Where the Locals Go, a Drink Where the Locals Drink has been proposed. They will pay sponsorship for advertisements with a map and logos, looking at about \$300 for a whole year. Last year it was \$250.

-Jeff presented and proposed May 2023 ODD to put together a convoy for Military Police Appreciation Day, down Truxtun since there are 6 memorials there. This could be turned into a BBQ possibly like the Toy Run ending at the fairgrounds. It was asked by Robb what the name of the day would be? Could be "Military/Police/Fire Appreciation Day". Debbie Launer asked what the money would go to. It was discussed that money should go to a charity like all our fundraisers go to. Debbie Launer stated BCCC is too busy with Super Cruise and maybe ODD can find a club that can help. Diane stated that American Legion post 26 may be one that can help with that and BCCC can support; Jordan stated that signage is something that needs to be dealt

with through the city and we don't know exactly what it all entails at the moment. Carla stated that it sounds like there are two things that Jeff is wanting, the signage and the convoy/fundraiser. Debbie asked if he had reached out to the First Responders Appreciation group for resources. It was decided to table this idea for the moment.

- Robb requested a list of today's attendance members and their emails

-Chris asked for sponsor forms, Debbie is still working on it.

-Thunder on the Mountain show on 8/21.
