**-EVENT CONFLICT POLICY:** *The BCCC, Inc. has endeavored to minimize event date conflicts where possible. Our policy has been to recognize established car events who have traditionally had their events at a similar time each year. Of late there has been a disregard for this established policy. Moving forward we will not recognize events or clubs who do not follow this rule on a regional basis. The exception to this policy is events in different cities. If you do not see your club on our roster or your event not listed, it is because you do not communicate with us or you have scheduled conflicting events on top of other club or council established events within your region. Established events with most annual events will be recognized and published over lessor!*

**-ATTENTION ALL CAR CLUBS:** We need your club's meeting date information so we can update the listings on the BCCC website. Please either email me, fax me, or phone me with the following information so we can get this section updated and correct: Club name, monthly meeting day, time, location and name of a contact person.
