-Next BCCC Council Meeting will be held as soon as we are able – at a location to be determined. Please check out the BCCC website (www.bakersfieldccc.org). Upcoming event flyers have been posted!! Visit our Facebook for current events.

- Is Your Club Event Not Listed? If so, it's because we are not receiving the information to put it in this calendar. Please scan and email to us for inclusion (caddington@bak.rr.com) by the 20th of each month to get put in the following month. **We do not usually recognize events on top of events in same city!**

-Club Pictures: If your club has some pictures from a recent event you attended you would like to share with the BCCC to put in an upcoming issue of the BCCC Newsletter or on our Website, please feel free to submit them via email

to Chris Addington before the start of each month. Please understand that we have a restricted area to put pictures each month but will make every effort to publish different clubs when room is available.

-Invitation to Affiliate with BCCC, Inc. Car Club Council:

If you or your club or group is not affiliated with BCCC Car Club Council and are interested in being affiliated with BCCC Car Club Council, send us a message. No monies (dues), no mandatory meetings, no drama and club helping club is our mission. Our sphere of influence is Central California from the High Desert to the Ocean and the San Joaquin Valley. If you are a club or group and want to affiliate, drop us a message, it's not complicated! We are open to all gearheads of all types!!

-Event Conflict Policy: The BCCC, Inc. has endeavored to minimize event date conflicts where possible. Our policy has been to recognize established car events who have traditionally had their events at a similar time each year. Of late there has been a disregard for this established policy. Moving forward we will not recognize events or clubs who do not follow this rule on a regional basis. The exception to this policy is events in different cities. If you do not see your club on our roster or your event not listed, it is because you do not communicate with us or you have scheduled conflicting events on top of other club or council established events within your region. Established events with most annual events will be recognized and published over lessor!

-Attention All Car Clubs: Clubs affiliated with BCCC entitles you to have a page on our website at www.bakersfieldccc.org. You can have up to 5 images and a page of text plus a cover photo. This can be updated on a quarterly basis. We also give you a link from the page to your social media site i.e. Facebook, Instagram etc. You can have your meeting dates, club events, past events and photos of members cars are allowed. Send info via email to caddington@bak.rr.com. Thank you!
